

Please protect us from the unwanted calls. These people call my house early in the morning and late at night. I think that we as consumers should have government on our side protecting us from nuisance calls. I can now rest late Saturday's and Sunday's because of this do not call list. I urge you to continue to implement this DO NOT CALL LIST. It is very important to me. I used to get over 100 calls a week not I get maybe 10 calls a week. HELP!!!!!!!!!!
Thank you,
B. Young
